nScan™ 1060

AMBIR®

9.32"
(236.6mm)

12.59"
(319.9mm)

11.74"
(298.2mm)

Versatile, durable and efficient, the nScan 1060 is the preferred piece of equipment to handle most facility scanning needs. This scanner comes equipped with a TWAIN Driver, AmbirScan ADF and can scan various documents in color, such as ids, passports and traditional paper.

nScan™ 1060

60ppm High Speed Document, Card & Passport Scanner

Sku # DS1060-AS
MSRP: $799.00

3 YEARS WARRANTY

INCLUDES LIMITED PART & LABOR COVERAGE WITH COMPREHENSIVE U.S.–BASED PHONE & CHAT SUPPORT

Thin Scanning Mode for Delicate Documents.
Keep important documents safe, including thin, delicate ones. This includes carbon copies. This prevents the paper from being jammed and makes it easier for thinner documents to glide through.

Asymmetrical Paper Feeding Guide for Easy Feeding.
This accommodates various document stacks. This means smoother paper handling and more efficient document scanning.

Complete Solution.
Every Ambir scanner comes with highly-compatible TWAIN drivers that enable the scanner to work with virtually any Electronic Health Records or Document Management application.

9 Customizable Profiles.
Customize your scanner's buttons to a specific need for quick, easy access.

2025_V_1.0

High-speed Passport Scanning.

Enable Sheetfed mode on our ADF scanner to scan through Passports and other thick documents. When you're ready to go back to scanner paper, you can quickly switch back to ADF mode.

Professional Grade Quality.

Durable and reliable enough for high-volume environments like customer registration, medical records and back office scanning areas.
