

Versatility comes with every Ambir scanner, and the ImageScan Pro 490i is no exception. Scan documents and ID cards in full-color, grayscale or black & white to fit your specific needs, whether you're capturing insurance cards, legal forms or your bills at home.

### USB-Powered.

Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again.

### Straight-to-PDF Scanning.

With included AmbirScan Lite capture software, users can scan directly to industry-standard PDF format and save to any folder on your PC, network or popular cloud services including: Box, DropBox, Microsoft OneDrive, Evernote and Google Drive.

### Broad Compatibility.

The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems.

### Professional-Grade Quality.

Durable and reliable for commercial applications like hospitals, medical offices, banks, trucks, manufacturing, loading docks and busy points of sale.

## Totally Custom Capture.

Versatility comes with every Ambir scanner, and the ImageScan Pro 490i is no exception. Scan documents and ID cards in full-color, grayscale or black & white to fit your specific needs, whether you're capturing insurance cards, legal forms or your bills at home.

## Designed to Work. Built to Last.

In the office, the ImageScan Pro 490i adapts to any task or placement. A compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts.

## Compact and Capable.

You've got a ton of paper. Not a ton of space. That's why the ImageScan Pro 490i is designed with a compact footprint. It's about the size of a three-hole punch, so it fits on crowded desks. And it's USB powered, so there's no need for a bulky AC adapter.
