

When you go mobile, the TravelScan Pro goes with you. It's USB-powered, so you'll never need to search for an outlet. And at just under a pound and just over a foot long, it fits in any laptop bag and never weighs you down.

#### **USB-Powered.**

Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again.

#### **Straight-to-PDF Scanning.**

With included AmbirScan Lite capture software, users can scan directly to industry-standard PDF format and save to any folder on your PC, network or popular cloud services including: Box, DropBox, Microsoft OneDrive, Evernote and Google Drive.

#### **Broad Compatibility.**

The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems.

#### **Professional-Grade Quality.**

Durable and reliable for commercial applications like hospitals, medical offices, banks, trucks, manufacturing, loading docks and busy points of sale.

## Your Workflow Upgraded.

Paper documents. Receipts. Insurance cards. The TravelScan Pro captures it all, creating high-resolution images in color, grayscale or black & white. No matter what you're scanning, the TravelScan Pro does it anywhere there's a USB connection

## Designed to Work. Built to Last.

In the office, the TravelScan Pro adapts to any task or placement. A compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts.

## Handles Cards of all Kinds.

When your scanner captures images as fast as you can feed it, you save time. With the AutoContinue function, the TravelScan Pro 600 won't prompt you before each scan. You can continuously create digital images, as long as you can keep up.
